

Jonathan H. Ross, DDS, MHS
Diplomate of the American Board of Periodontology
Practice Limited to Periodontics and Dental Implants

5825 Landerbrook Drive Suite 221
Mayfield Heights, Ohio 44124
440.461.6008

Payment Options:

Our mission is to deliver the finest periodontal and implant treatment in order for you to achieve long-term oral health. Following a comprehensive examination, we will discuss treatment options with you. We will also discuss the estimated investment in your proposed treatments.

The fees for your periodontal or implant treatment are due by the time of each appointment, unless previous arrangements are made. Since we are sensitive to the need for patients to phase or budget treatment, we offer several alternative payment programs for your convenience. Financial considerations should not interfere with your obtaining important health services. We encourage you to enter into a comfortable financial arrangement with our office. Your options include:

- **5% courtesy when the procedure fee is paid in full by cash, check, or money order at the time of scheduling the appointment. 4% courtesy when the fee is paid in full by using a credit card at the time of scheduling the appointment (Visa, MasterCard, Discover, and American Express). (Available to out-of-network patients)**
- **Monthly payment plan upon credit approval from a third party finance company. No interest plans (as long as payments are made on time) are available for up to 12 months.**
- **1/3 of procedure fees are paid at time of scheduling; 1/3 of procedure fees are paid day of appointment before surgery; 1/3 of fees paid within 30 days of procedure before incurring any finance charges.**

- I understand that Ross Periodontics is unable to internally finance my treatment or allow accounts to age. Thus if any treatment fee is not paid within 1 week of an appointment, a finance fee will be incurred (16.0% APR with a minimum charge of \$5.00).
- This office is a network provider for CIGNA, Dentemax, Connections. In-network patients are not eligible for the prepayment courtesy since we must take assignment on your benefits and cannot take full payment from the patient. In-network patients are responsible for deductible, co-payments, and any fees outside the annual benefit or not covered by the patient's policy
- Please note, if you have a dental insurance benefit plan, Ross Periodontics will perform three services for you, if requested: a complimentary estimate of benefits report, file claim with any necessary supporting documentation, and write an insurance narrative if the claim has been denied. Any further services I may request of Ross Periodontics may possibly incur service charges at a rate of \$25 per hour.

I have read and understand the financial policies of Ross Periodontics and Dental Implants.
